

evergreen washelli offers

The Natural Legacy

earth-friendly burials

Evergreen Washelli is proud to offer a hybrid green burial package. With the increased awareness of the environment and our impact on it, we have created *The Natural Legacy* burial option.

This package includes the handcrafted Seagrass casket which features convenient handles for carrying, along with a natural cotton lining, pillow and shroud; a memorial / funeral service in our chapel, also

- 50 forget-me-not seed packets
- 50 plantable programs
- online, paperless guestbook

The Seagrass
(flowers not included)

Ask your funeral director for more information.
