

evergreen washelli offers

The Natural Legacy

earth-friendly cremations

Evergreen Washelli is proud to offer a hybrid green cremation package. With the increased awareness of the environment and our impact on it, we have created *The Natural Legacy* cremation option. The package includes the eco-friendly, handcrafted willow branch casket, the handcrafted, biodegradable Savannah urn, a memorial / funeral service in our chapel, also

- 50 forget-me-not seed packets
- 50 plantable programs
- online, paperless guestbook

The Savannah

The Willow
(flowers not included)

Ask your funeral director for more information.
